

# Court Success

*by Unknown*

## Items Needed:

Paper; Pen; Scissors or knife; Gold cloth

## The Spell:

If you are facing a judgment in court, write down all possible verdicts on a piece of paper. With scissors or a knife, cut out only the desired conclusion while focusing your mind on a positive outcome. Carefully burn the unwanted portion, until nothing but ash remains. Release or bury this ash so it is symbolically "lost" to you. Carry the other piece of paper into court, wrapped in gold cloth, as a protective amulet.
